Subject: By-laws

Hi Raymond,

Before passing by-laws I recommend that you send draft copies to the CGS regional office for review. I'm looking at three passed by-laws sent to me and I notice some errors or omissions.

By-law Officer By-law #119: Does not appear to be sealed.

Water & Sewage Rates By-law #120: Does not appear to be sealed. Also, section 10 does not cite a repealed by-law number, so technically the old by-law is still active. Ensure this takes is taken care of in case any eager citizen or business catches on to it and wants to pay the old rates.

Employment By-law #122: Does not appear to be sealed. Also, it does not repeal the previous by-law.

As for the seal, maybe it doesn't show on the photocopies, but ensure the originals are sealed because they have to be sealed to be effective, as per section 57 of the Hamlets Act.

Regards,
Steve
